THE FAITH PRINCIPLE: REMOVE YOUR MOUNTAINS AND LIVE LIFE THROUGH FAITH (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The hardest thing for people to realize is that your life is a direct correlation to what you have believed. Either you had faith in giving because you will always have more than enough, or you had faith in receiving because there is not enough available. This is the greatest distance between the wealthy or extremely happy people that you see day to day and the hurting, unhappy person that you may know personally. It s their faith. Life is a compilation of exactly what you believe. It always has been and it always will be. The Faith Principle does not volunteer the assumption that the best of life is yet to come. Instead, this book was written as a love letter from me to you to let you know that the best that life has to offer you is there now. Faith has guided you through many trials and tribulations, but its power has been ignored. Its fingerprints are all around the many miracles of your life, but as you stand where you are, you have forgotten to use what has already been planted inside of you. In what area is your life lacking? What goals do you still have that are unaccomplished? Is your life going in the direction that is pleasing to you? Over the duration of this reading you will quickly and easily recognize that you have received everything you have expected. Regardless of whether you have had faith in something happening or in a certain area s lack, over time you will always prove yourself right. On the other hand, you have created many mountains that have blocked you from getting what you desired....
