

Irregularities and Diseases of the Teeth (Classic Reprint) (Paperback)

Filesize: 4.16 MB

Reviews

The most effective book i ever read. I really could comprehend almost everything out of this published e ebook. You wont truly feel monotonny at at any time of your respective time (that's what catalogs are for regarding should you ask me).
(Rusty Kerluke)

IRREGULARITIES AND DISEASES OF THE TEETH (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Irregularities and Diseases of the Teeth Of the following papers, the first two were published in the Lancet. They were written, at the request of one of the staff of that paper, with the object of concisely explaining the causes, nature, and treatment of irregularities of the teeth - a class of affections with which many Medical Practitioners, in the absence of a Dentist, are called upon to deal, and with which they are consequently required to be properly acquainted. The requisite knowledge could previously be obtained only by a considerable study of Dentistry, and these papers were therefore designed to make the points of real importance clear, without the necessity of wading through a mass of uninteresting matter. The remaining papers were contributed to the British Journal of Dental Science. They consist of reports of cases from my note-book, with passing comments on their pathology and treatment. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
