FINDING GOSSAMYR VOLUME 1 (HARDBACK)

Th3rd World Studios, United States, 2013. Hardback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. In the world of Gossamyr, power is as simple as comprehension. A spell is a theorem and the theorem must be written in the air and proven for it to take hold. Denny s unique gift allows him to solve theorems that would drive anyone else insane, but he doesn t think of the world on those terms. He can only solve problems, not consider the appropriate answer for a situation. Fortunately, the children are befriended by allies who strive to send the stranded siblings home before dark forces can use the boy s power for evil.This beautifully bound hardcover edition of Finding Gossamyr collects the first volume of this critically acclaimed series, and is packed with 132-pages of gorgeously painted story, concept art, guest artist gallery, a beautifully illustrated map of the world of Gossamyr, and an exclusive short story created just for this edition.Reviews No one ever trusts their math teacher, which is why kids need to read this comic before their teachers can recommend it, because it s a math book that actually is fun. For maximum effect with readers, tell them the premise of the book is: Math can kill you. On the world of Gossamyr, math is a form of combat and a vehicle for magic. A little boy named Denny ends up in Gossamyr with his sister when he completes a theorem. He s suddenly in a parallel world with flying boats and blue oxlions. Younger readers will want oxlions of their own, to keep as pets. Hard-core fantasy readers may be frustrated with all the clichs. There s...
