Reviews

*A brand new e-book with an all new perspective. It typically fails to cost an excessive amount of. I am effortlessly can get a satisfaction of reading a composed book.
(Turner Bayer)*

IN THE FACEBOOK AQUARIUM: THE RESISTIBLE RISE OF ANARCHO-CAPITALISM (PAPERBACK)

Instituut Voor Netwerkcultuur, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In their new work research collective Ippolita provides a critical investigation of the inner workings of Facebook as a model for all commercial social networks. Facebook is an extraordinary platform that can generate large profit from the daily activities of its users. Facebook may appear to be a form of free entertainment and self-promotion but in reality its users are working for the development of a new type of market where they trade relationships. As users of social media we have willingly submitted to a vast social, economic and cultural experiment. By critically examining the theories of Californian right-libertarians, Ippolita show the thread connecting Facebook to the European Pirate Parties, WikiLeaks and beyond. An important task today is to reverse the logic of radical transparency and apply it to the technologies we use on a daily basis.
