THE ORDER OF THE COIF (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.From the PREFACE. The subject of this work has been foreshadowed in the article under the same title in the Edinburgh Review for October, 1878. It has been long projected; the time has arrived when it is required. In this country we have neither a history of the Bench or the Bar, and the Order of the Coif was the first phase of both. Until a comparatively recent time it included the greater portion of the Judges and Lawyers of England. Dugdale, Fortescue, Coke, and Blackstone give us accounts of the Serjeants-at-law and of the Inns of Court. Serjeant Wynne's tract, published in 1765, entitled Observations touching the Antiquity and Dignity of the Degree of Serjeant-at-law, is the result of very useful researches on the subject before us. In the first Report of the Common Law Commissioners the subject of Serjeants Inn and the Inns of Court is minutely entered on; and in the Serjeants Case, arising out of the so-called mandate from the Crown issued to the Judges of the Common Pleas in 1834, we find in the various arguments of Sir William Follett, Serjeant Wilde, Sir John Campbell (the then Attorney-General), Sir R. Rolfe (the Solicitor-General), and Mr. C. Austin, much learning bearing upon the subject. Serjeant Manning's able and interesting report of this case has very elaborate notes, containing extracts from ancient records more or less relevant. Since these proceedings took place there have appeared a number of biographical works which have entered on the subject of the old Order of Judges and Serjeants of the Coif. In Lord Campbell's Lives of the Chief Justices and Lord Chancellors, there are a great many references to Judges...
