Situational Survival For Women:10 Dangerous Situations That Can Await Every Woman And Proven Methodic To Come Out Of Them As A Winner Women play an integral role in the composition of a good society and safeguarding their honor and rights is the duty of every society. This book clearly defines the problems faced by women generally all over the world, and how can they be prevented from occurring again. This book covers the below-mentioned topics and the solutions to them are enclosed within each chapter. How to deal with Sexual Harassment? Tips to Handle Natural Disasters How to Manage Situational Accidents Food Choking and Cramps While Swimming Tips to Deal Crossfire and Elevator Trap The sub topics mentioned play a vital role in the safety of women and if the timely action is taken, it can surely prevent major drastic incidents from happening. Not all women are much aware of the defensive measures to take in the critical situations, this book provides guidelines to how to protect oneself from such adversities. Under each sub-topic, there are different situations which a woman faces in her day to day routine of life. Situational management is very much essential to walk in life smartly. All the topics are diverse in nature but are deeply correlated to women for they are fragile by nature and panic at large at encountering such fearful situations. This book contains solutions to such situations to help women, in general, to cope up with their difficult hours wisely. Many organizations and institutes are playing an active part in informing women about their rights and how to protect it by law. This book is a source of information for all those women around the globe...
