Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Properties and Interactions of Oral Structures and Restorative Materials The research on dental materials that is described in this report is a part of a larger total effort that is carried out in collaboration with the American Dental Association Health Foundation. The o.s. Army and Navy Medical rd Command are also part of this collaborative effort through support funding and/or assignment of research personnel. While the bulk of the research progress in this report represents only the efforts of nbs staff supported under the Interagency Agreement with nidr, there will of necessity be a degree of contribution that originates through the intentionally strong interaction among all per sons participating in this collaborative dental program.
