

Saving Hope (Paperback)

By Devoted Grandfather

Page Publishing, Inc., United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Hope is the author s youngest granddaughter. She was diagnosed with stage 4 neuroblastoma on September 11, 2001. Neuroblastoma is a cancer that usually develops in or around the adrenal glands. It s made up of immature nerve cells. Hope s mom and dad (the author s son) were tasked with learning all about this disease and caring for Hope as she fought for her life. They were told how the doctors were going to cure her, but she never was able to, as they say, go by the book. There were many incidents that created undue stress and cause for concern for her whole family. As to how the time went on and how the fight ended is quite a trip. Saving Hope is the factual account of Hope s horrendous fight to live and how it affected her family as seen through the eyes of her PopPop.

Reviews

This ebook is indeed gripping and fascinating. it had been writtern really properly and helpful. I am very easily could possibly get a satisfaction of reading a published publication.

-- **Maude Ritchie**

Very useful to all category of men and women. I actually have study and i also am certain that i am going to going to read through again once more down the road. Its been written in an exceptionally simple way and is particularly only soon after i finished reading this publication by which basically altered me, modify the way in my opinion.
