

The Practice of Silviculture: Applied Forest Ecology (Paperback)

By Mark S. Ashton, Matthew J. Kelty

John Wiley and Sons Ltd, United States, 2018. Paperback. Condition: New. 10th Edition. Language: English . Brand New Book. The most up-to-date, comprehensive resource on silviculture that covers the range of topics and issues facing today s foresters and resource professionals The tenth edition of the classic work, The Practice of Silviculture: Applied Forest Ecology, includes the most current information and the results of research on the many issues that are relevant to forests and forestry. The text covers such timely topics as biofuels and intensive timber production, ecosystem and landscape scale management of public lands, ecosystem services, surface drinking water supplies, urban and community greenspace, forest carbon, fire and climate, and much more. In recent years, silvicultural systems have become more sophisticated and complex in application, particularly with a focus on multi-aged silviculture. There have been paradigm shifts toward managing for more complex structures and age-classes for integrated and complementary values including wildlife, water and open space recreation. Extensively revised and updated, this new edition covers a wide range of topics and challenges relevant to the forester or resource professional today. This full-color text offers the most expansive book on silviculture and: Includes a revised and expanded text with...
