CASCADE BOOKS, 2012. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Jacques Ellul (1912-1994) was one of the world's last great polymaths and one of the most important Christian thinkers of his time, engaging the world with a simplicity, sincerity, courage, and passion that few have matched. However, Ellul is an often misunderstood thinker. As more than fifty books and over one thousand articles bear his name, embarking on a study of Ellul's thought can be daunting. This book provides an introduction to Ellul's life and work, analyzing and assessing his thought across the most important themes of his scholarship. Readers will see that his remarkably broad field of vision, clarity of focus, and boldly prophetic voice make his work worth reading and considering, rereading and discussing. Understanding Jacques Ellul is an academic treasure. . . . The complicated correlation between Ellul's biblical thinking and his social theoretical work is developed with extraordinary sophistication. This book lives up to its own internal promise, demonstrating with impeccable scholarship Ellul's distinctiveness as a Christian thinker. --Clifford Christians, University of Illinois Understanding Jacques Ellul is a useful introduction to the prolific author, who was a sociologist, historian, and a Christian. This book is the first to give equal weight to his secular and Christian views. Given Ellul's voluminous writings, the authors had to be selective, and their choice of topics is excellent. --Richard Stivers, Professor of Sociology, Illinois State University Jacques Ellul was one of the twentieth century's most insightful Christian analysts of contemporary society. His writings remain of great value for Christian mission today. This study shows his continued relevance through its accessible, well-informed introduction and overview of some of the many key themes in his extensive corpus. I...
