By J M Lord

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Twenty year old Celeste Felonwood is not your average pretty girl. Unlike most of her peers, Celeste has an insatiable thirst for knowledge. Armed with a perfect GPA, she lands a much-coveted summer internship at a prestigious research laboratory. But she soon gets disappointed when she finds out that life at the lab consists entirely of completing mundane experiments with no greater purpose. Disillusioned, she turns to her best friend Michelle who boldly suggests that they try something unheard of in the 21st century - experimentation on slaves. The two young women then embark on an experience of a lifetime. From the capture of their slaves to the experiments performed on them, each step in their journey is fraught with moral and practical dilemmas that truly test the fabric of who these women really are.
