

## Genitives and Determiner Phrases - Jan Zijn Boek Vs Johns Book

By Stefanie Udemä

GRIN Verlag. Paperback. Book Condition: New. Paperback. 20 pages. Dimensions: 10.0in. x 7.0in. x 0.1in. Seminar paper from the year 2004 in the subject English Language and Literature Studies - Linguistics, grade: 2, 0, University of Cologne (Englisches Seminar), 12 entries in the bibliography, language: English, abstract: The following paper deals with the genitive case in English language and the possessive construction in Dutch language referring to the examples Jan zijn boek as well as in English language Johns book. In a first step there will be given a general definition on the term both genitive and determiner, with regards to the comparison of genitive case and determiner given in the topic of this paper. In this place, even clitic and affix definition is not left blank. Furthermore it is mentioned that during English language change from the Old English language to the Modern English language a change has taken place concerning the treatment of nominal phrases and determiner phrases within the DP-Analysis raised in the late 1980s. This will be pointed out in this paper as well. As well as the question whether a possessive construction can be treated as an inflectional form or even gets the status of a...
