Hachette Children s Group, United Kingdom, 2014. Hardback. Condition: New. UK ed.. Language: English . Brand New Book. Super Scientists are first biographies introducing some of the world s great scientists, simply retelling their lives and explaining why their work was important. Illustrated with archive images and photographs, the chronology of each lifetime is emphasised by a timeline that runs through the book. Galileo Galilei tells the story of the father of science - covering his origins as the son of a musician through his work in astronomy and optics, his troubles with the Church and his enduring legacy today.
