Brand New Book ***** Print on Demand *****.Today I began re-reading John Steinbeck s classic book *Traveling With Charlie, In Search Of America*. As always happens when I read this book I am reminded of how there is an inner desire among most people to travel. It isn t to travel to arrive at a particular destination as much as it is to, as Steinbeck says, just get away. Whether we care to admit it or not we all have that little voice inside of us that keeps saying just go. Do it. Leave and see where you end up. Most people are able to ignore that little voice and continue living their humdrum lives with the end result being retired with nothing to do and nothing to show for all the years they toiled in a little cubicle hoping to someday officially retire. My question was retire and do what? My answer was always retire to travel, see what lies just around the next corner or bend in the road. I thought that I would never (and still hold to this) see my life suddenly just stop after the official retirement of mind and soul from a job that I didn t like in the first place. My goals were always set higher and with the end result of being able to enjoy the freedom I worked so hard to attain. And then, when retirement was a reality rather than a dream I found that I was lost. Fortunately I had my health and a deeply rooted desire to continue with life. The path however was a little clouded by circumstances. People that required my attention soon found that I was now available more...
