Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: Spanish . Brand New Book ***** Print on Demand *****. Una breve historia de los que se van. Un juego de palabras que se convierte en una adiccion. PALABRAS no es una historia de amor. Es una historia de desamor. Cuando Emma cree tener la vida perfecta que desde siempre sono, Diego, el amor de su vida con el que esta a punto de casarse, la deja por otra. Hace las maletas y simplemente se va, como si los sentimientos de Emma no valieran nada. Meses mas tarde y aun destrozada sin poder ver una salida a su profunda tristeza, Emma decide acudir a la consulta de Silvia, una psicologa con muy buena fama en Barcelona y con unos metodos muy distintos a los habituales. Nuestra protagonista necesita volver a vivir y sobre todo, volver a confiar en si misma. Silvia le propone a Emma un juego de nueve palabras. Cada palabra, formara parte de la historia entre Emma y Diego. Cada palabra, hara que Emma, abra los ojos y entienda que su relacion, no era el cuento de hadas que creia, ni Diego el hombre perfecto que veia. Cada una de esas NUEVE palabras, seran clave, para que Emma vea que hay vida mas alla de una ruptura y que el destino nos puede llegar a sorprender mucho. Una novela intima, tierna y muy especial. Otro regalo para el alma que nos ofrece su autora, con esta novela romantica contemporanea, tras el exito de su antecesora, QUEDATE CONMIGO, de similar estilo narrativo.
