Biblical principles and declarations to confront the devil and cast his evil influence out of your relationships. Christian Family Counselor Iris Delgado wants Satan to know that marriage is a territory that Christians can take back from demonic interference and control--and that it never needs to become the devil's territory. This book reveals what makes marriage work--and what destroys it. Delgado tackles nearly fifty important marriage issues from an understanding of covenant, relationships with in-laws and children, household behaviors and chores, all the way to deeper issues of intimacy, integrity, finances, workaholics, habits, and communication. She gives biblical principles and declarations to confront the devil and cast his evil influence out. She includes interactive thought-provokers and an index of relevant words. She answers questions like: Who will pay the bills and keep the financial records? How do I handle an argument? Whose house do we visit on holidays? What are the hidden secrets of unresolved things in my life? How can God help when my spouse doesn't want any help? What are the secret, bad habits that could tear us apart? This book will be a mentoring handbook you won't want to be without! It will be useful for dating and engaged couples as well as for married couples who want to eliminate Satan's influence from their marriage and lives.
