THE EASY WAY TO WRITE SHORT STORIES THAT SELL

Createspace, United States, 2014. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****.If you've ever felt that you had a story inside you - and wanted to know how to write and get it published, this book is for you. This book is intended for amateur and professional writers who may have lost their way. It guarantees inspiration, motivation, effective ways to counter writer's block and provides you with easy, step by step instructions on how to write a short story that will sell. Rob Parnell is the respected author of 28 books on writing. Over the last eleven years Rob has taught over 100,000 students and subscribers from all over the world. His website, The Easy Way to Write, is considered one of the best writer's sites online. In The Easy Way to Write Short Stories That Sell, Rob Parnell explains how the first and best way to progress in a writing career is to master the art of short story writing. Here's what he says: I don't know about you but at school they told us short story writing was harder than novel writing. For a full time writer this statement is nonsense - but it does show how short story writing is respected and even regarded with some degree of awe. The good news is that I can teach you the easy way to create a very publishable short story - and very quickly. My short story writing course has been downloaded more than any other of my resources - something like 90,000 times in the last ten years. I've completely revised its contents and included an up-to-date listing of all the short story markets currently available to the aspiring short...
