Reviews

This book is definitely not effortless to start on reading through but extremely fun to learn. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.

Our kind has hidden among yours for centuries peacefully. We are an evil of a kind for we are of neither side. We are your protectors, protectors from those of our kind who would like to kill you. Now they have found a way to kill us. As their queen, I have failed at my duty to find a cure to The Fallen s madness. I have made a choice, now I become human, to hide among you in hopes I may return to my kind with an answer. I do not want to do this but it is the only way. I must change to save our world and my kind.
