Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Showing how a Great Minister made a great mistake. STRANGE to say, in the manuscript notes from which this true history is derived, there occurs the most extraordinary omission that perhaps ever appeared in the writings of any one pretending to accuracy; and most provoking of all, I have searched memoirs and annals, histories and letters, state papers and private memoranda, and have consulted all sorts of tradition, oral and written, without being enabled to supply from any other source the neglect of the original historian.
