

Concrete Volume 1: Depths

By Paul Chadwick, Paul Chadwick

Dark Horse Comics, U.S. Paperback. Book Condition: new. BRAND NEW, Concrete Volume 1: Depths, Paul Chadwick, Paul Chadwick, Part man, part rock? Over seven feet tall and weighing over a thousand pounds, he is known as Concrete but is in reality the mind of one Ronald Lithgow, trapped inside a shell of stone, a body that allows him to walk unaided on the ocean's floor or survive the crush of a thousand tons of rubble in a collapsed mineshaft, but prevents him from feeling the touch of a human hand. These stories of "Concrete" are as rich and satisfying as any in comics: funny, heartbreaking, and singularly human. "Depths", the first in a series of new collections reprinting the classic early "Concrete" stories along with never-before-collected short stories, includes the Eisner-nominated "Orange Glow" and "Vagabond," Paul Chadwick's autobiographical account of a cross-country hitchhiking trip.

Reviews

A must buy book if you need to adding benefit. It is actually writer in basic phrases and never difficult to understand. I found out this book from my dad and i advised this publication to find out.
