Willow Creek Press, 2007. Hardback. Condition: New. Language: English . Brand New Book. First in a series of imaginative children s books this is the wild tale of a small blue horse named Glory (guardian of the morning glory vine) who takes Turner Flint off to the land of Joya, where she can forget her earthly worries, like her taunting older brother and what she should wear on the first day of school. She goes from being a timid child to a valiant heroine, and even finds herself nurturing the lovely golden mare, Lilia, who had at one time almost turned her green with envy. Despite her dread of frost and what it will do to Glory and his morning glory vine, Turner returns to her own warm bed and bookshelves, lined with her old horse collection. Happily surprised when she enters fifth grade, Turner finds a very unusual teacher, as well as a new best friend who can share her summer secrets. Together they wait for Glory s return,...
