The Armchair Traveller at the Bookhaus. Hardback. Book Condition: new. BRAND NEW, An Armchair Traveller's History of Apulia, Desmond Seaward, Susan Mountgarret, "An Armchair Traveller's History of Apulia" is the story of the heel of Italy - Puglia - as told by past and present day travellers. It has beautiful landscapes, cave towns and frescoed grotto churches, wonderful old cities with Romanesque cathedrals, Gothic castles and a wealth of Baroque architecture. And yet, while far from inaccessible, until quite recently it was seldom visited by tourists. This portrait of Apulia concentrates on the Apulian people down the ages. Conquerors, whether Messapians, Greeks, Romans, Arabs, Lombards, Byzantines, Normans, Angevins, Germans or Spaniards, have all left their mark on the region in a cultural palimpsest that at first sight bewilders, but which hugely repays investigation. This title is arranged in short chapters, the narrative travels from north to south, making it an ideal companion for exploring Apulia by car. The Gazetteer, which is cross-referenced to the main text, highlights cities, churches, cathedrals, castles and sites of historical importance to the visitor. For travellers on the ground or students at their desks, this elegant, cloth-bound book will prove invaluable.
