GEORGE CASE: ROCK N ROLL BEFORE THE DRUGS WORE OFF (PAPERBACK)

Hal Leonard Corporation, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book. Take a trip through rock n roll s haziest, craziest period, beginning with the Beatles and Bob Dylan turning on in a New York hotel, and continuing on through two-decades of wonderful, colourful, history-changing music. From psychedelic Woodstock warriors like Hendrix and the Jefferson Airplane through psycho-stereo adventurers Pink Floyd; from the post-hippy bliss of Neil Young and cosmic cowboy Willie Nelson, to the druggy blues of Black Sabbath and the hemp-happy rhythms of Peter Tosh and Bob Marley, Out of Our Heads gleefully celebrates music s most creative minds - and their chemically induced expansion. This book is for anyone who has ever listened to Dark Side of the Moon on a pair of headphones and said Wow.
