Beijing, China has become a bustling metropolis,

riding the hurried tide of newfound economic prosperity. These quick commercial and political

changes have left a massive cultural divide between Simon Wang and his teenage son Greg, who

has never tasted poverty or the evils of widespread violence. Will they be able to overcome their

differences in order to peacefully co-exist in America, or will the love between father and son be the

very force which tears the Wang family apart forever? Simon Wang has seen both the best and the

worst of China throughout his lifetime-the rapid changes implemented under the Mao Zedong

regime, up to the modern affluence of contemporary Chinese life have given him a profound

understanding of the importance of a good education. Yet, everything that Simon has built is

threatened when Greg befriends a rag-tag group of inner city hip-hop dancers. Simon seeks a new

and bright future for his son Greg and niece, Ling, in America, yet hip-hop dancing threatens to

destroy the fabric of everything he has created. Will Simon be able to drive his son...

Reviews

Certainly, this is actually the greatest job by any publisher. It is really simplistic but shocks within the 50 % of the pdf. I am just happy to tell you that this is the very best ebook i have read in my own lifestyle and may be he greatest ebook for actually.
