THE LUCIFERIAN WAY (PAPERBACK)

Createspace, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Luciferian Way is the third book by American born author/actor/musician and general facilitator Robert Allen LaVey Reynolds. In this new effort, the familiar theme of attaining overall self-sufficiency and providing a better overall quality of life for oneself with the least personal compromise on behalf of the individual in question is applied in terms of how one might go about creating their very own Non-Theistic religion which branches off of the Old Faith and is based upon the principles they themselves find to be of great importance such as Mr. Reynolds has himself done here. As always friends.this newest effort by Mr. Reynolds aka The Reverend Anton De Sade is not to be missed!.
