

Practical Observations on the Hygiene of the Army in India: Including Remarks on the Ventilation and Conservancy of Indian Prisons; With a Chapter on Prison Management (Classic Reprint) (Paperback)

Filesize: 7.39 MB

Reviews

An incredibly wonderful ebook with perfect and lucid explanations. I really could comprehend every little thing using this written e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Tomas Flatley)

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Practical Observations on the Hygiene of the Army in India: Including Remarks on the Ventilation and Conservancy of Indian Prisons; With a Chapter on Prison Management The sanitary condition of the British Army in India has of late been the subject of anxious inquiry. It is hoped that the practical suggestions made in this treatise may prove of use at the present time. It has not been my object to enter into any elaborate discussion on the composition of foul air and impure water. Our knowledge of these, particularly the former, is, in some respects, involved in considerable obscurity; and many of the arguments relating to the gases, vapours, and other substances in which are supposed to lie their peculiar poisonous qualities, are purely hypothetical. But, however various the opinions regarding the particular gases or vapours in impure air which generate certain diseases, and however difficult it may be to exactly define its true character, all are agreed as to its generally baneful influence on the human constitution, and the healthful, invigorating effect of living in a pure atmosphere. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
