Mediatrix Press, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.John Fisher's times are remembered, but he is often not. While information on the Tudor period proliferates, with so many studies in art, architecture, power and other matters, there is scarcely a mention of John Fisher or his place in the struggles of those times. Even in Catholic circles, Thomas More has numerous books written about him, numerous centers devoted to his memory, while Fisher gets barely a remembrance. Yet, of the two great men, Fisher was the greater in the life and events of that time. John Fisher was made a bishop by King Henry VII, solely due to his holiness, and Henry sought to remedy much evil he had done by making such a man a bishop. Fisher regularly preached to the people, in an age where many bishops scarcely preached one sermon in their lives. Fisher established the forerunner to the seminary system in St. John's college Cambridge before it had that name. He traveled frequently in his diocese and visited the faithful in every manner of life. On top of being the most famous preacher in England, he became respected as the greatest theologian in Christendom, having written 5 books against Luther and his disciples while at the same time he was known as the holiest bishop in Christendom. E.E. Reynolds work is history rather than Hagiography, bringing out these details carefully from official state archives, ambassadorial correspondence, letters and near contemporary biography. The work is a continuation of the work of earlier scholars, making use of more sources than were previously available. In his introduction, Reynolds notes: Father Thomas E. Bridgett's Blessed John Fisher (1888) was the first full-scale biography to be based on a careful...
