DIARY OF A POST-SINGLE MOM

DOWNLOAD

Blue Door Media, United States, 2013. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.This is the story of my soggy transition from single motherhood to what I guess is the hereafter. I call this change of life Post-Single Motherhood (PSM). It is that time in a single mom s life when her children are leaving home. I hope this book is a comfort to another mother going through this stage in her life. I also hope the conversation might foster a community of single moms who are looking for or may offer acknowledgement, kindness, support, and maybe even a little humor through it all. One reader said, Reading The Diary of a Post-Single Mom feels like having an extended cup of coffee with a good friend. A friend who has been there before you and can help put a name to all the mixed feelings of losing your teenagers to their own life. So, put on a pot of coffee and meet your new best friend. This book will make you laugh (out loud), shed a tear, and nod your head in agreement. And, you ll complete the journey with confidence that you ll survive.and maybe even thrive.
