Finally this interstellar menace might be destroyed forever. But there is trouble. Andrej Koscuisko wasn't expected to escape from protective custody at Safehaven Medical Center and come looking for his freed bond involuntaries, and now the Malcontent faces Andrej's unplanned intervention at the worst possible time. Now the only way to save the mission and bring down an organization that has slain whole systems of men, women, and children is for Andrej to embrace the savagery in his own heart and once again take on the role of Judicial torturer - a role that he had fought long...
