Lulu.com, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This is a self help book about my experience homeless and those I have gotten to know in various shelters. Survival techniques in the outdoors for when shelters are overcrowded are given. What shelter life is typically like. My goal is to have this book inspire and give information that leads them becoming housed. My wish is that church groups and charitable organizations that help the homeless purchase one or two copies and if they think it is beneficial to buy in bulk at a discounted rate. Even at the price the book is at now I imagine someone homeless may not be able to get access to it unless through a friend, family member or church leader.
