

Fear City

By F Paul Wilson

BRILLIANCE AUDIO, 2015. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Rage, terror, and redemption: these are the stones upon which F. Paul Wilson builds the concluding chapter of Repairman Jack: The Early Years, the prequel trilogy focusing on the formative years of Wilson s globally popular supernatural tropubleshooter. The strands of Jack s life, established in the first two books, Cold City and Dark City, are now woven into a complete pattern. Centered around an obscure group of malcontents intent on creating a terrible explosion in New York City in 1993, Fear City shows the final stages of young Jack becoming Repairman Jack. It is a dark and terrible story, full of plots and needless mayhem, with secret agents, a freelance torturer, a secret society as old as human history, love, death, and a very bleak triumph. Jack threads his way through this intricate maze, as people he loves are stripped away from him in a way that presages the later epic series of novels.
