Know Thyself is an axiom that has been in use since the time of the Delphic oracle, and its meaning has resonated throughout myriad approaches to philosophy, esotericism and occultism since that time. This short work aims to help you consider your life in a new perspective, understand your place within the chaos of the everyday world and, above all, to attain glimpses of your true Self. Know Yourself is a tool by which the seeker of meaning and revelation can find a moment of balance and gain insight into their own approach to living, from one who is on his own little journey through the chaos, the doubt and the anxieties of twenty-first century life.
