WW Norton & Co. Hardback. Book Condition: new. BRAND NEW, Mental Health Provider's Guide to Managed Care: Industry Insiders Reveal How to Successfully Participate and Profit in Today's System, Leonard Reich, Andrew Kolbasovsky, Forced to perform a delicate balancing act of offering the best possible care for their clients while carefully adhering to various managed care policies and procedures, providers in particular often wince at the prospect of having to deal with managed care companies, or MCOs. Every issue-big and small-is covered, from capitation versus fee-for-service payment arrangements to evaluating which MCOs are a good fit to join, and everything in between. After explaining how to work with the system,...
