Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.My Family is My Life is a first-hand admission of one man s reasons for a belief in God. Although his belief is clearly faith based at the core, even the staunchest nonbeliever can appreciate the rationale for his convictions, after he shares many examples of his life experiences, observations, and miracles with you. Everyone has chosen a side in the God versus no-God examination, but regardless of your position, you will be intrigued and perhaps test your own assessment of the big picture while hearing his personal stories of failure and redemption, as well as his positions on science, logic, and reasoning. You will likely appreciate the author s genuine and efficient writing style, as there are no wasted words, yet his entire story gets told in this easy to read novella.
