Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Best help with evidence-based medicine available. Martin Gabica MD, Chief Medical Officer, Healthwise The guidelines and tools that you provided have been invaluable and are used on an almost daily basis as I review journal articles. Maribeth M. Bettarelli, PharmD The Delfini Group provided a comprehensive-and practical-approach to interpreting EBM, but most importantly, they provided a tool that I was able to easily incorporate into my practice. Chris McFarland, PharmD Sound medical decisions require sound medical evidence. However, did you know that many estimate that the majority of published medical research studies are not reliable or are of uncertain reliability? You need an evidence-based process for quality patient care and to avoid waste. An evidence-based approach requires that evidence be evaluated for reliability and clinical usefulness. This book can help you. 1.How do you hire and evaluate an evidence-based staff if you lack evidence-based skills yourself? 2.What are some helpful resources and tips to save time? 3.Creating high quality monographs: How do you get the right information to the committee without swamping them with unnecessary details? 4.How do you keep your committee...
