## CHANDOS RING: IN MY ATOM IS ARK

Xlibris Corporation. Paperback. Condition: New. 400 pages. Dimensions: 8.9in. x 5.9in. x 1.1in. Chandos Ring is a sensational masterwork of modern American epic poetry. It encompasses the challenges and moral philosophy of a space faring civilization. It tells a story of Aaron, the last living member of a ruthless political dynasty responsible for the extinction of many non-Western nations of a dying Earth. Aaron leads thirty ships to Jupiters moon Callisto. His intent is to create a race of men able to live without a carbon and oxygen base. The Aarons companion to Jupiter is Talon, the greatest scientific mind of his age. They build hundreds of factory ships that surround Callisto, forming Ring Station. The result would be creating a genetically new human magus creature called Homo faustus. Ultimately, Aaron discovers the alien source of human life. . . In My Atom Is Ark is the third and the most advanced volume of the epic Chandos Ring. Recognized for its idiomatic perfection and elegance of style, the epic poem Chandos Ring is a strange new reconstruction of human life that crosses modern science fiction, religion, physics, and philosophy. . . From Chandos Ring: In My Atom is Ark: I called up to high towers. I cried down from wind-blown, empty scaffolds. I called out to men that build beams, to the smelters at their forge. They said from their shelters they were cold. They had already entered below Earth. They said they no longer had hearts of steel. They said, shivering, they wished me well on other worlds. No! I cried a sudden arc. I took a carbon shield, I breathed an iron lung above a dying sky. By force of raging tears, ten-fold moons I demon sank on Europas footless iceto a shoeless ocean floor. I did the hardest thing. I carried fire to the ice. Previous to the poem, in his philosophical introduction A new Theory...
