Reviews

Completely one of the better pdf I have got possibly go through. I really could comprehended every little thing using this composed ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Torey Kreiger)

CAT IS WHERE IT S AT! (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Large type / large print edition. Language: English . Brand New Book ***** Print on Demand *****. 15 price cut! CAT is Where it s At!: This is a children s book about CATERPILLAR skid steer loaders functions. KIRKUS Review: A versatile vehicle is the subject of Gebhart s (Deere is Right Here!, 2017, etc.) latest picture book for very young readers. This is CAT! the book s narrator announces with enthusiasm, introducing kids to a Caterpillar skid-steer loader vehicle, alongside a photo showing the machine in profile. Although the CAT in the first picture has treads, the CAT in the second has wheels and a drill, showing a particular task that the machine can do. The next has treads again and carries sod to a lawn in a forklift. This picture book is full of partial-page images, accompanied by sparse but easy-to-decipher text, which show a variety of CAT s jobs- CAT carries a log and CAT scoops gravel among them. A photo of a small, toy CAT shows that the machine is popular enough to be found in a child s home, and two other photos show CAT s drivers. There s little sense of continuity from one picture to the next-each CAT has different features, and the mentions of help by CAT s drivers aren t placed consecutively. However, pre-K readers interested in construction vehicles, as well as very newly independent readers, will appreciate the short, concise sentences, which clearly describe the action in each photograph. The final page sums up the types of actions that CAT can take: drilling, scooping, and carrying, all with help! The amount of white space and the large print make the book highly approachable, overall. The photos are of varying quality (and one...
