

Ceremonial Culture in the Pre-modern World (Paperback)

By -

University of Notre Dame Press, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book. By enabling the spiritual or ineffable to register as visible and palpable, ceremonies perform the essential cultural work of ensuring continuity of belief and practice across generations. In the process, each ceremony becomes a visual drama with highly scripted acts, movements, and rhythms. Unlike anthropologists in the field, scholars of the medieval and early modern world cannot witness ceremonies - the processions, dramas, rituals, and liturgies - and their choreography, or how they engaged with time and space. Denied the possibility of personal observation, how are historians to understand ceremonies such as a Catholic liturgical procession moving through a medieval town or the triumphal entry of a Renaissance ruler into a subjected city? Fortunately, considerable documentary, visual, and material evidence survives from Europe to help scholars frame necessary questions about pre-modern ceremonies. The essayists in this volume identify and recover the excitement and dynamism that characterized ceremonial culture in pre-modern Europe. Each turns to key issues: the relation between public and private space, the development of fully-realized dramas and rituals from earlier forms, and the semiotic code that ceremonies manifested to their audiences....
