Thank you to everyone here on Amazon who helped make my first book a Bestseller!!! Best-selling childrens book author John Yost gives you Baby Animals. This book uses beautiful pictures and easy words that makes learning about baby animals fun and interesting. This is the second book in the Nature Books for Children Series and is acclaimed as being one of the best baby animal books for kids available on the Kindle. The pictures are carefully chosen to look their best on any device in full color, or black and white. Baby Animals is written to encourage children to discover and learn on their own. Each picture has a caption to spark curiosity and encourage conversation with your child. You are welcome to guide your child through the book with the beautiful pictures. And you are invited to read the simple text to your child at bedtime or on a relaxing day together. This book captures the marvelous and amazing world of baby animals and brings them alive. Children will learn how baby whales breathe even though they cant swim when they are first born. They will also discover that a baby giraffe falls 6 feet to the ground and lands on its head, but that its just fine after the fall! Baby Animals not only includes the standard cute and cuddly animals, but also includes are some lesser known but very interesting animals like purple martins and wolf spiders to help broaden your childs understanding of nature. Scroll up and grab a copy. The book features these baby animals and their parents: The playful Lion The dedicated Elephant The independent Sea Turtle The cautious Rabbit The devoted Whale The ferocious Polar Bear...
