

Romans: A Study Guide for Life (Paperback)

By James K Crews

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Paul s epistle to the Romans is the consummate explanation of mankind s needs to be reconciled to God and the means by which God (not man) makes such reconciliation possible. This Study Guide for Life offers explanations to clarify the more technical and theological aspects of the letter, making it appropriate for both the casual reader, the theological student and the Christian worker. The author also asks probing questions to focus the reader s attention and thoughts to the actual words of Paul s text. Discussion questions take the reader from the theory to the practice of Paul s instructions. The Study Guides for LIFE are perfect for use by individuals and small groups.
