

## The Cemetery of My Mind: Memories and More Second Edition (Paperback)

By Emeritus Professor Department of Biology William Bates

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This important second edition was re-energized by the recent Academy award-winning movie, Spotlight. The author, and victim himself, set out to uncover why and how the Church could choose to ignore those it is supposed to protect. He exposes and documents the secrets the Church has hidden for close to a hundred years. He further relates, from a personal experience, how the binding orders from the last eight Popes, the supreme shepherds of the Church, continue to protect the Church itself and abusive priests, thereby failing the core responsibilities of the Church's foundation - to protect their flock from evil. From the First Edition: A great 4.9 stars-a must read-M Lomas WBEN Buffalo This book is well written and informative. The author's honesty explains the way things were, he does not attach blame, but this book invites the reader to take seriously this evil against children.-Brother Ignatius Feaver, OFM, Cap. Former administrator at St. Francis Table and the Capuchin Franciscans. . [T]riumphant memoir of his path towards healing. . all stories contribute to the panorama of a full...

### Reviews

*This pdf will never be straightforward to get going on studying but quite enjoyable to read through. This is certainly for all those who state there was not a really worth studying. You are going to like the way the blogger publish this publication.*

*Simply no phrases to clarify. It is really basic but surprises from the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
