*Simply no phrases to explain. It is definitely simplistic but shocks from the fifty percent from the pdf. You may like the way the blogger write this ebook.*

## EVERY WOMAN S BOOK OF POULTRY (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This special re-print edition of Flora Guest s book Every Woman s Book of Poultry is a guide to raising and breeding chickens and was specifically written for women who may not have been previously exposed to keeping poultry. Written in 1910, this classic text on poultry sheds light on the information that can be used to get the most out of a flock of laying hens or other poultry. Included are details on Poultry Housing, Feeding The Hens, Pests and Diseases of Poultry, Profitable Hens, Eggs, Hen and Incubator, How To Fatten Chickens For The Table, Slaughtering Poultry and more. One of the few books of its kind. Illustrated with some very interesting plans for small poultry coops that would be very suitable for those who would like to keep a flock of laying hens in town. Highly recommended. Note: This edition is a perfect facsimile of the original edition and is not set in a modern typeface. As a result, some type characters and images might suffer from slight imperfections or minor shadows in the page background.
