CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 248 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. THE plan adopted in this volume demands a word of explanation. The reader must not look for a history of St Louis, that is, for a chronological and methodical account of the actions of his life and the events of his reign. This would not, in our opinion, correspond to the general design of the collection in which this essay is to find a place. We have thought it better to make a study of the character and sanctity of this great Christian and royal person, considered under the different aspects of his private and public life. It has been our ideal to present to our readers a series of historic pictures in stained glass, devoted to the life of St Louis. In the different compartments of this series, or, to speak without metaphor, in the successive chapters of this work, we have made large use of the text of writers contemporary with the holy king, necessarily made intelligible to modern readers. We have also given as far as possible the very words of the holy king. Nothing throws more light on the mind of St Louis than his Instructions to his son Philip and to his daughter Isabel. We cannot know and describe him better than his confessor, Geoffrey of Beaulieu, his chaplain, William of Chartres, and the confessor of his wife, Queen Margaret, whose writings afford such a valuable summary of the inquiry made for his canonisation. Wherever it was possible we have used the words of the Sire de Joinville, the good seneschal, who has in our own day found an editor and interpreter worthy of him in the person of M. Natalis de Wailly. We...
