## Mirrors of Clay: Reflections of Ancient Andean Life in Ceramics from the Sam Olden Collection

By Yumi Park

University Press of Mississippi. Paperback. Book Condition: new. BRAND NEW, Mirrors of Clay: Reflections of Ancient Andean Life in Ceramics from the Sam Olden Collection, Yumi Park, This is a magnificently illustrated look at the ancient Andean ceramic vessels from the Sam Olden Collection at the Mississippi Museum of Art. Mirrors of Clay features photographs and descriptions of sixty ceramic vessels from ancient Andean American cultures which flourished between 1200 BCE and 1550 CE. These distinctive ceramic vessels reveal each culture's stylistic aesthetics, religious ideologies, and political roles. The Pre-Columbian ceramic vessels presented in this catalogue are mainly from the Andean region of South America, which includes the modern countries of Ecuador, Peru, and Bolivia. By analyzing technologies, forms, and decorative designs, author Yumi Park reveals the unique aesthetics, social stratifications, religious ideologies, and political roles within each culture. Ancient Andean potters expressed their native individualities by depicting the forms of warriors, deities, architecture, flora, fauna, and daily life on their ceramic vessels.
