ISOIEC 38500: THE IT GOVERNANCE STANDARD

It Governance Ltd. Paperback. Condition: New. 52 pages. Dimensions: 6.3in. x 3.6in. x 0.2in. In the twenty-first century, IT governance has become a much-discussed topic among IT professionals. It is not well understood by senior managers, company directors, board members and chairmen which is a pity, because IT governance is a key topic for exactly these people. The emergence of ISOIEC 38500 the international standard for the corporate governance of information and communication technology puts boards around the world in a position from which they can take effective action to apply core governance principles to their information and communication technology. This essential pocket guide will help you to understand both this new standard and the complex area of IT governance. Key features of this pocket guide include: an overview of the ISOIEC 38500 standard; framework for good IT governance; project governance; and the Calder-Moir Framework. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
