Market competition and free trade have increased prosperity for some nations and groups but left others behind. Peace and human rights do not always go hand in hand. Democratisation and increased popular participation in government can lead to minority rights abuses. Economic development and democratisation cannot always be achieved simultaneously; in the long run, these values may be reconcilable, but in the short run, they can generate tensions. Conflicts around the world have not declined, despite the end of the Cold War. From 1989 through 1993, a total of 90 large and small-armed conflicts occurred. At any given time, the number of violent conflicts fluctuates around 50 each year. That s why in the post cold-war era, it has become more important than ever that the three actors in...
