Kensington Publishing, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. A thrilling, hilarious, and mysterious romp. --Patricia Engel, author of *It's Not Love, It's Just Paris* Two divorces have taught Mariela Estevez that she's better suited to being a mistress than a wife. Whose heart needs all that forever after trouble? Still, her affair with her married lover, Hector, has become problematic--especially because he's also a tenant in her apartment building in the heart of Miami's Calle Ocho in Little Havana. But when Hector is found dead just steps from Mariela's back door, on the eve of her fortieth birthday, she's forced to examine her life--and come up with a plan to save it, fast. . . Complicating matters, Hector's passing sparks the unexpected return of a gift Mariela rejected years ago and thought she'd never have to face again: clairvoyance. Suddenly, Mariela's visions come swiftly and unbidden, as do revelations about her other tenants. Lost loves, hidden yearnings, old jealousies--all reside on Calle Ocho. Most of all, Mariela's second sight awakens her not just to the truth about Hector's death and the secrets in others' lives--but to the possibilities blooming within her own. With warmth, wit, and insight, award-winning author Anjanette Delgado explores one woman's flawed but heartfelt attempt to live and love well, transporting readers to the center of contemporary Little Havana and a community of uniquely human, unforgettable characters. *The Clairvoyant of Calle Ocho* reminds me of why I started reading in the first place--to be enchanted, to be carried away from my world and dropped into a world more vivid and incandescent. Anjanette Delgado loves her characters, even the miscreants, and makes us love them too. --John Dufresne, author...
