Reviews

Completely among the best ebook I actually have possibly read. It can be rally fascinating throgh reading through period of time. I am very easily can get a pleasure of studying a written ebook.

(Mr. Antone Rogahn Sr.)

FEDERAL AIR MARSHAL SERVICE

Alphascript Publishing Nov 2009, 2009. Taschenbuch. Condition: Neu. Neuware - The Federal Air Marshal Service (FAMS) is a United States federal law enforcement agency under the supervision of the Transportation Security Administration of the United States Department of Homeland Security. The Air Marshal service is meant to promote confidence in civil aviation by effectively deploying Federal Air Marshals (FAMs) to detect, deter, and defeat hostile acts targeting U.S. air carriers, airports, passengers, and crews. Because of the nature of their occupation, Federal Air Marshals (FAMs) often travel in pairs, and sometimes in groups of three. As officers, they are required to maintain one of the highest standards for handgun accuracy. A FAM's job is to blend in with other passengers on board aircraft and rely heavily on their training, including investigative techniques, criminal terrorist behavior recognition, firearms proficiency, aircraft specific tactics, and close quarters self-defense measures to protect the flying public. 128 pp. Englisch.
