"Author Sara Fawkes had fans clamoring for more with her New York Times bestselling e-serial \*\*\*\* romance, Anything He Wants. Now, she's giving readers exactly what they want with her New Adult debut and first full length novel, Breathe into Me, a sexy, deeply emotional romance that brings Fawkes' signature heat to a highly popular new genre. How did my life get so broken? It's a question Lacey St. James asks herself every day. Stuck raising her little brother in a trailer park while she works a dead end job at a grocery store, she has a stalker exboyfriend, a bad reputation, and no way out. And then she meets Everett, who changes her entire existence. Everett is an outsider who's housesitting his family's mansion off the coast, and for reasons Lacey can't understand, he's completely captivated by her. He seems determined to show her that life can offer more than she'd ever hoped for, if only she believes in herself. She desperately yearns to trust him, but what happens when she finds out that everything he's told her is a lie?"-- Our orders are sent from our warehouse locally or directly from our international distributors to allow us to offer you the best possible price and delivery time.
