Reviews

The very best book i actually read through. I have got read through and i am certain that i will likely to read through yet again yet again down the road. I realized this ebook from my dad and i suggested this book to learn.
(Alfreda Barrows)

THE TASTE OF BEER - A GUIDE TO APPRECIATING THE GREAT BEERS OF THE WORLD

U.K / Seven Dials, 2000. Hardcover. Condition: New. No Jacket. Porter, ale, stout, or lager, every beer has its own unique flavor, in much the same way as wine. Expand your knowledge of an international array of great beers without lifting a glass--although that is part of the pleasure! One of the world's leading beer writers unveils how brewers work, describing brewing methods and explaining how the basic ingredients--barley, hops, water, and yeast--combine to give each beer its individual character. At-a-glance information on the palate, aroma, and other characteristics of each is provided, as are the stories behind the beers. Illustrated with photographs through out. This is a paperback copy in new condition. (208 pages).
